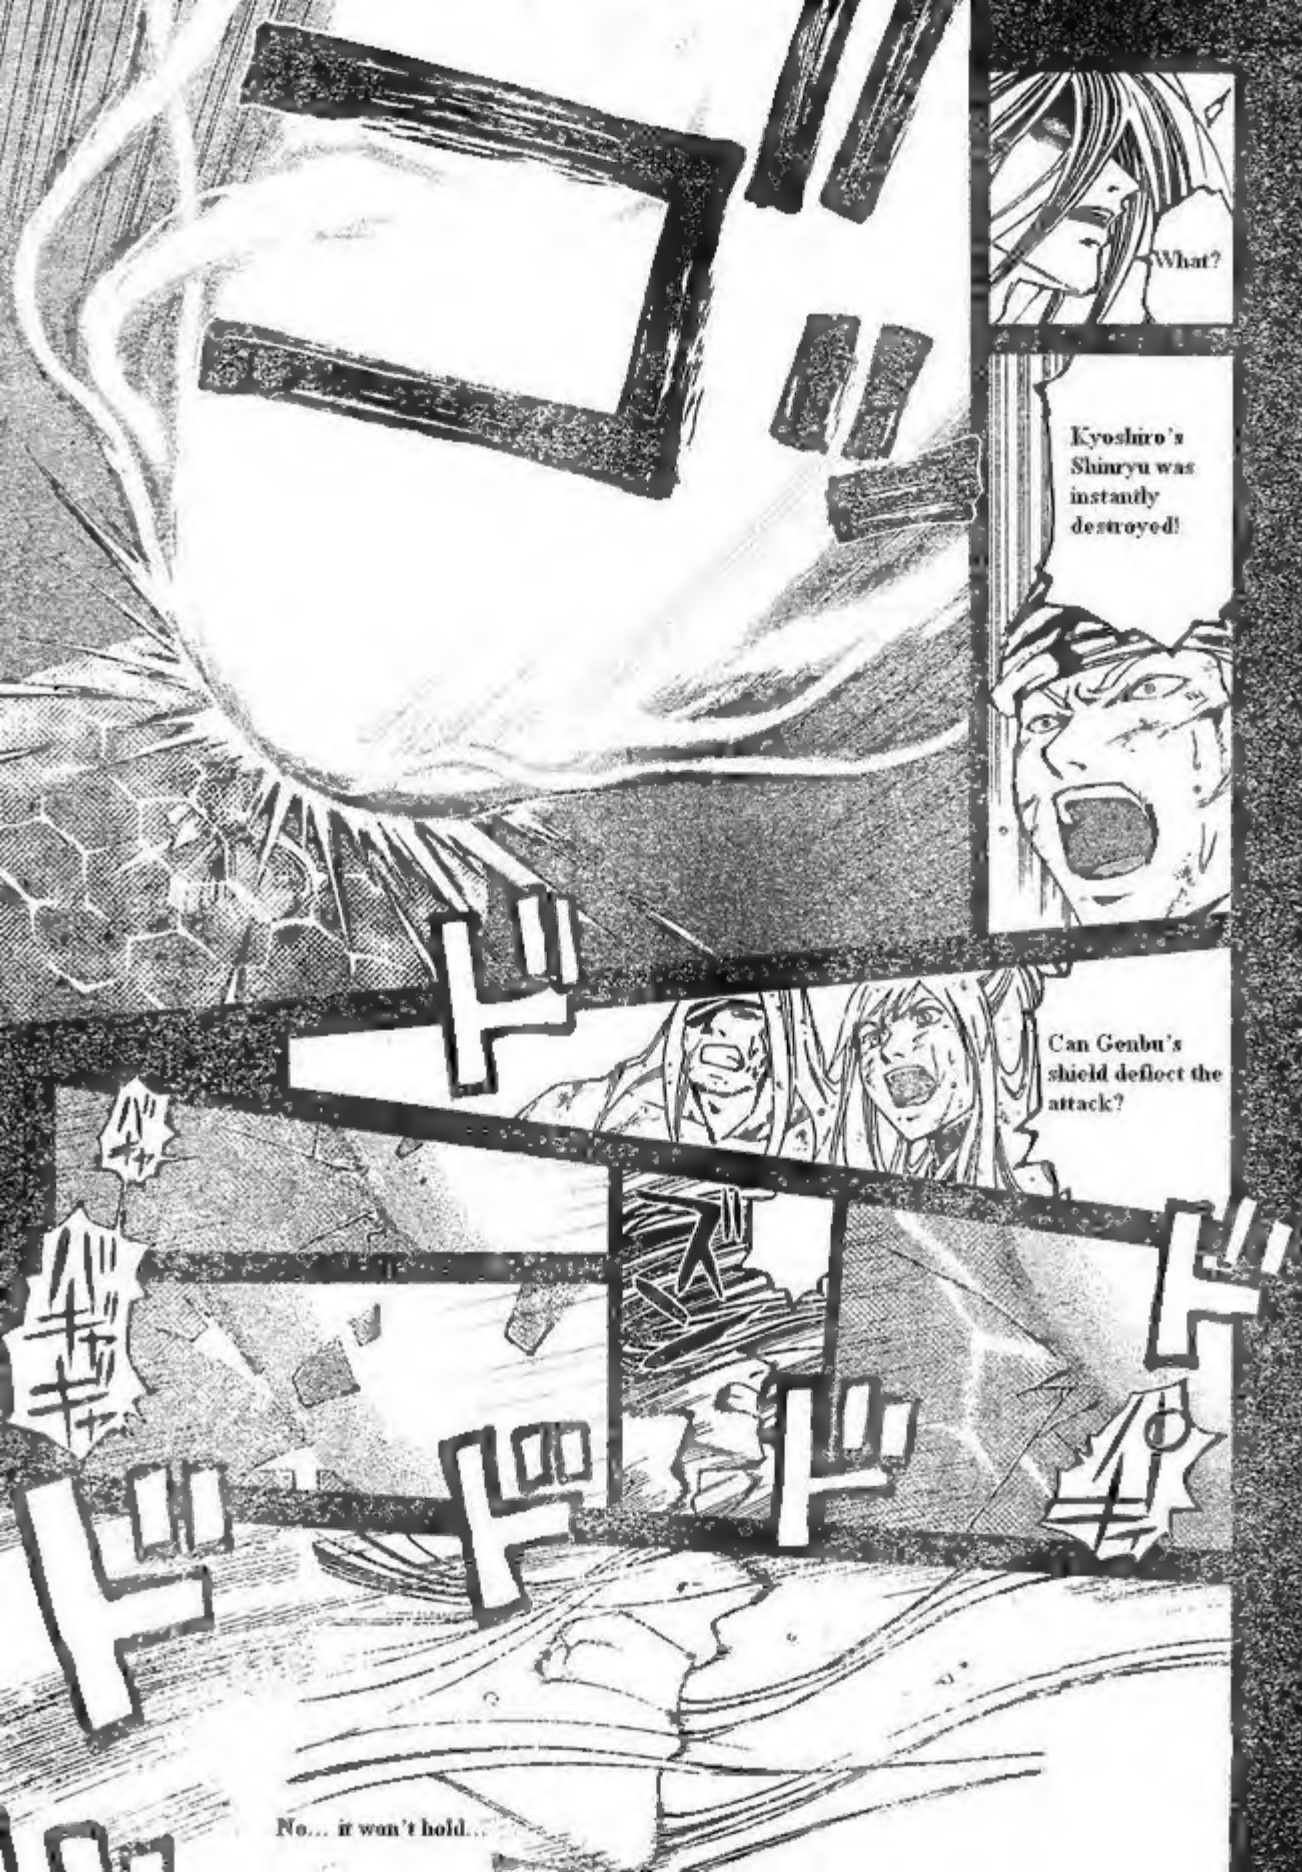
The Golden Holy Wind!



What?
Kyoshiro's Shinryu was instantly destroyed!
Can Genbu's shield deflect the attack?
No... it won't hold...

Ughh!

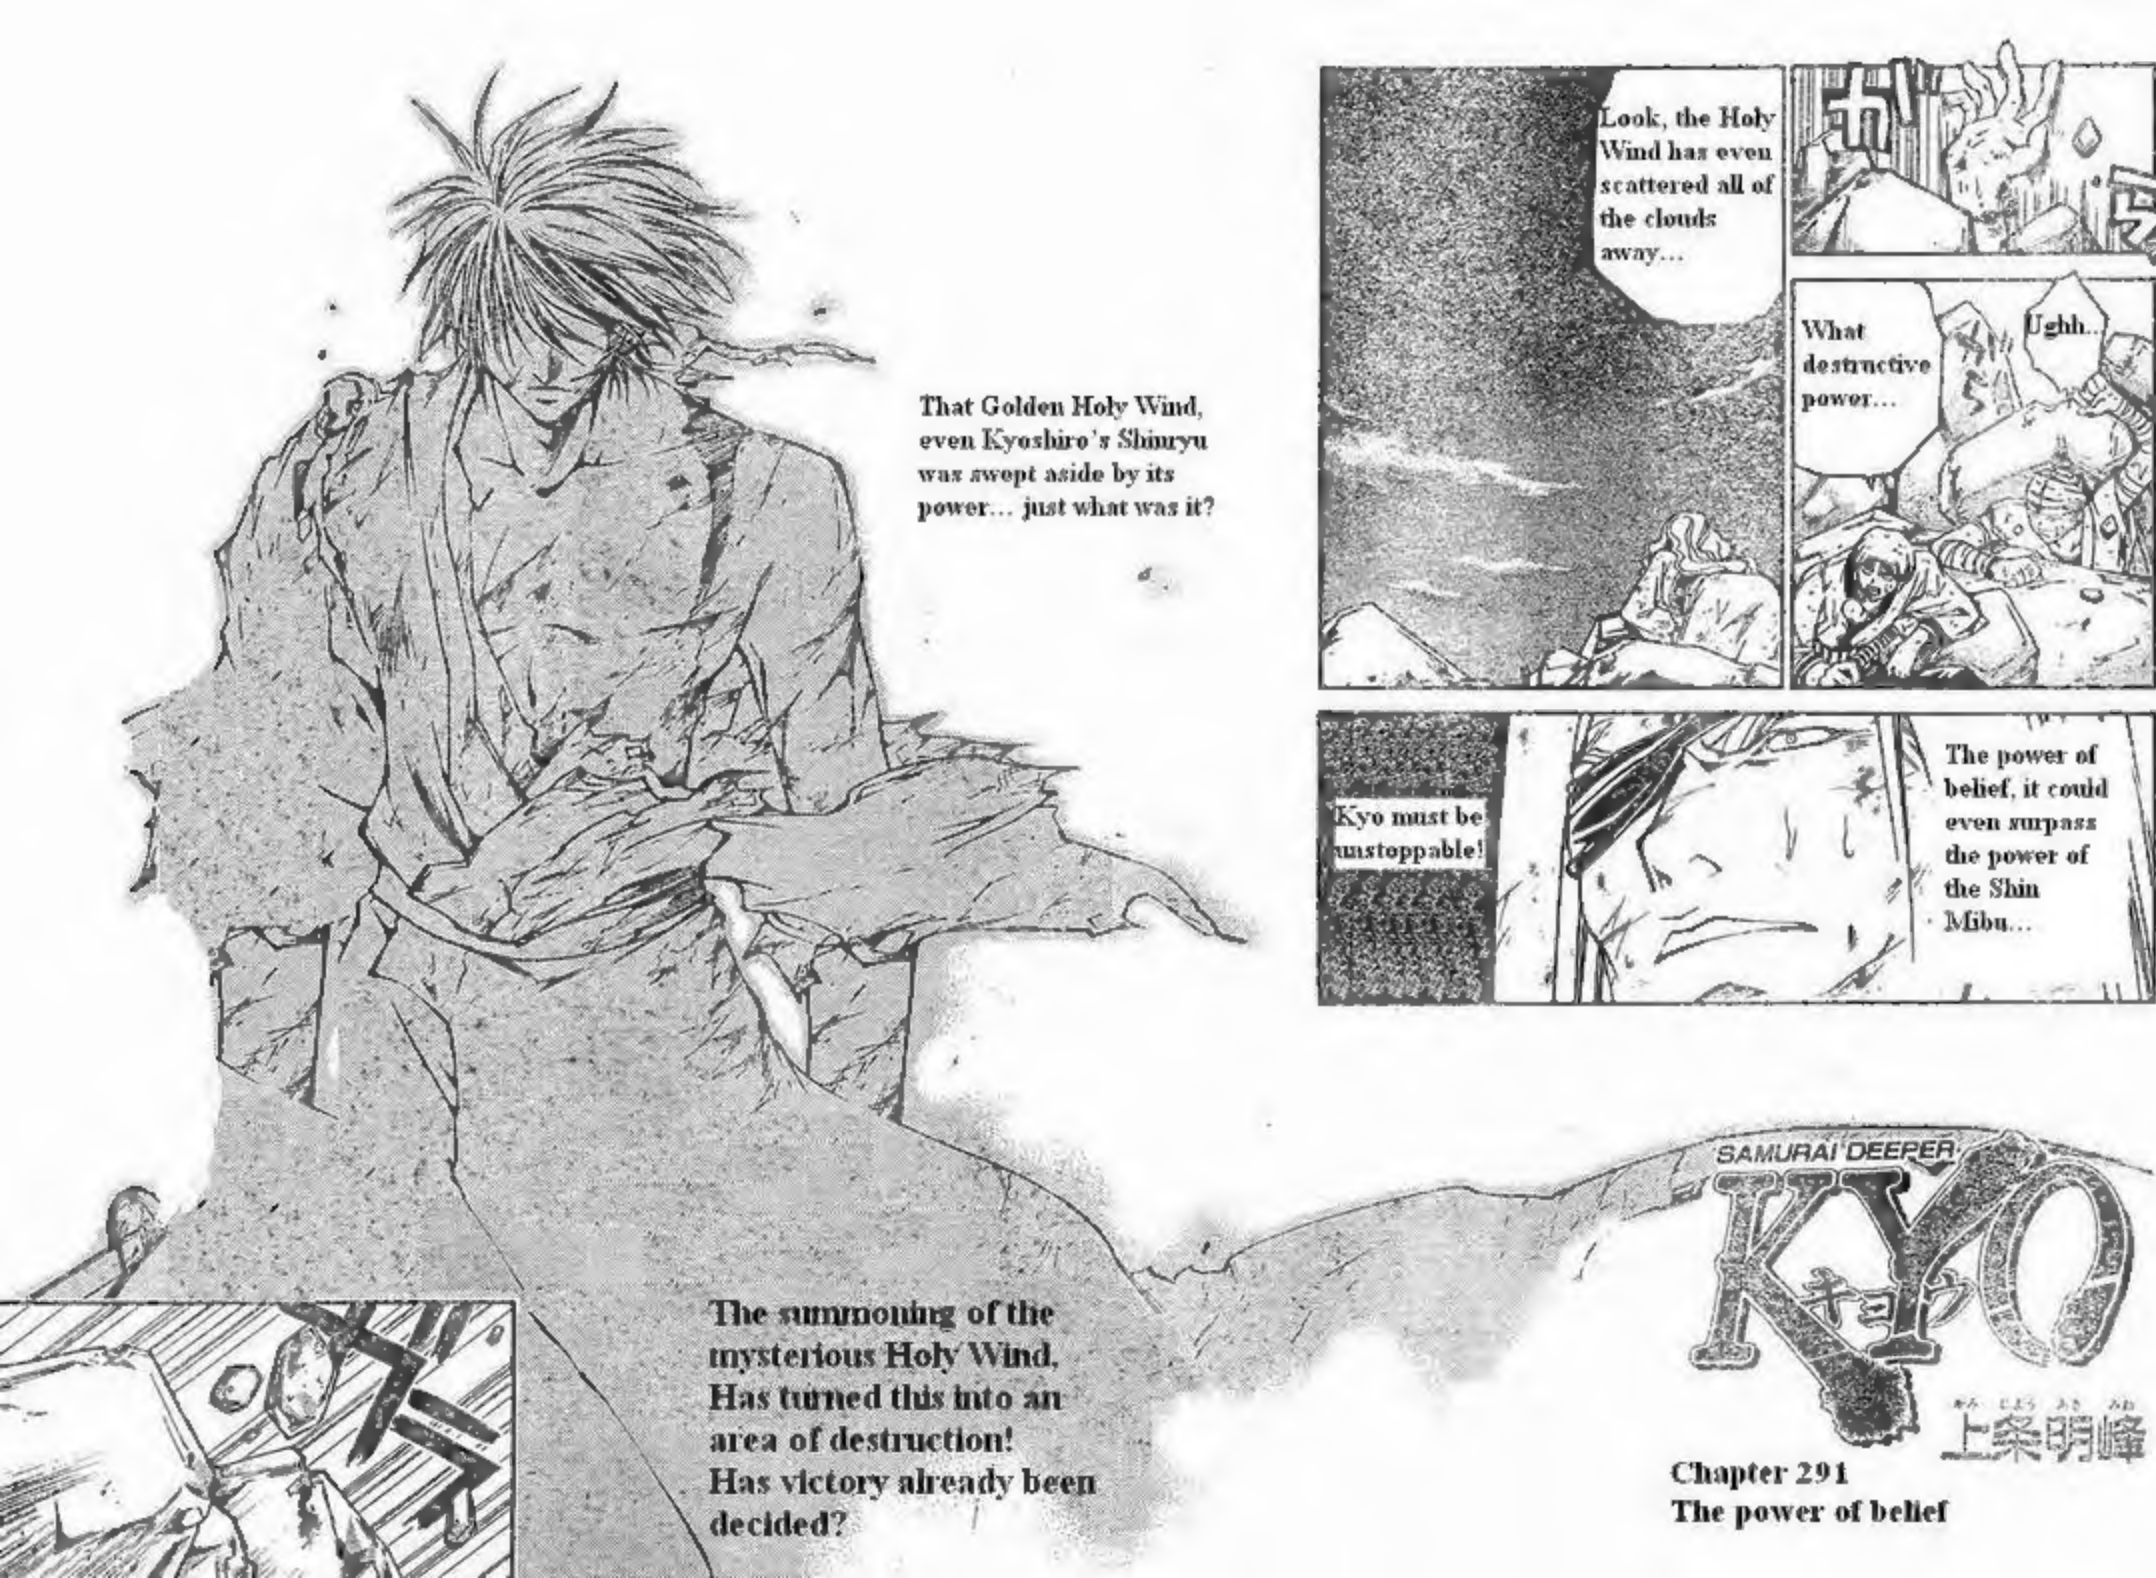
The Golden Wind... to think that you could summon such power Kyo...



That Golden Holy Wind, even Kyoshiro's Shinryu was swept aside by its power... just what was it?
Look, the Holy Wind has even scattered all of the clouds away...
What destructive power...
Ughh...
Kyo must be unstoppable!
The power of belief, it could even surpass the power of the Shin Mibu...
The summoning of the mysterious Holy Wind, Has turned this into an area of destruction! Has victory already been decided?

**Chapter 291**
**The power of belief**

Kyoshiro!

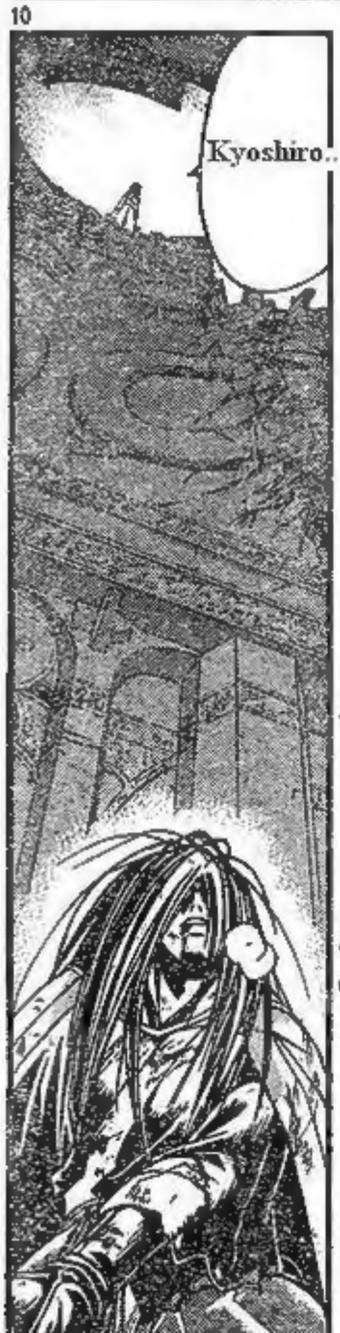
So... your blows aren't as powerful as before....

It... it no longer...

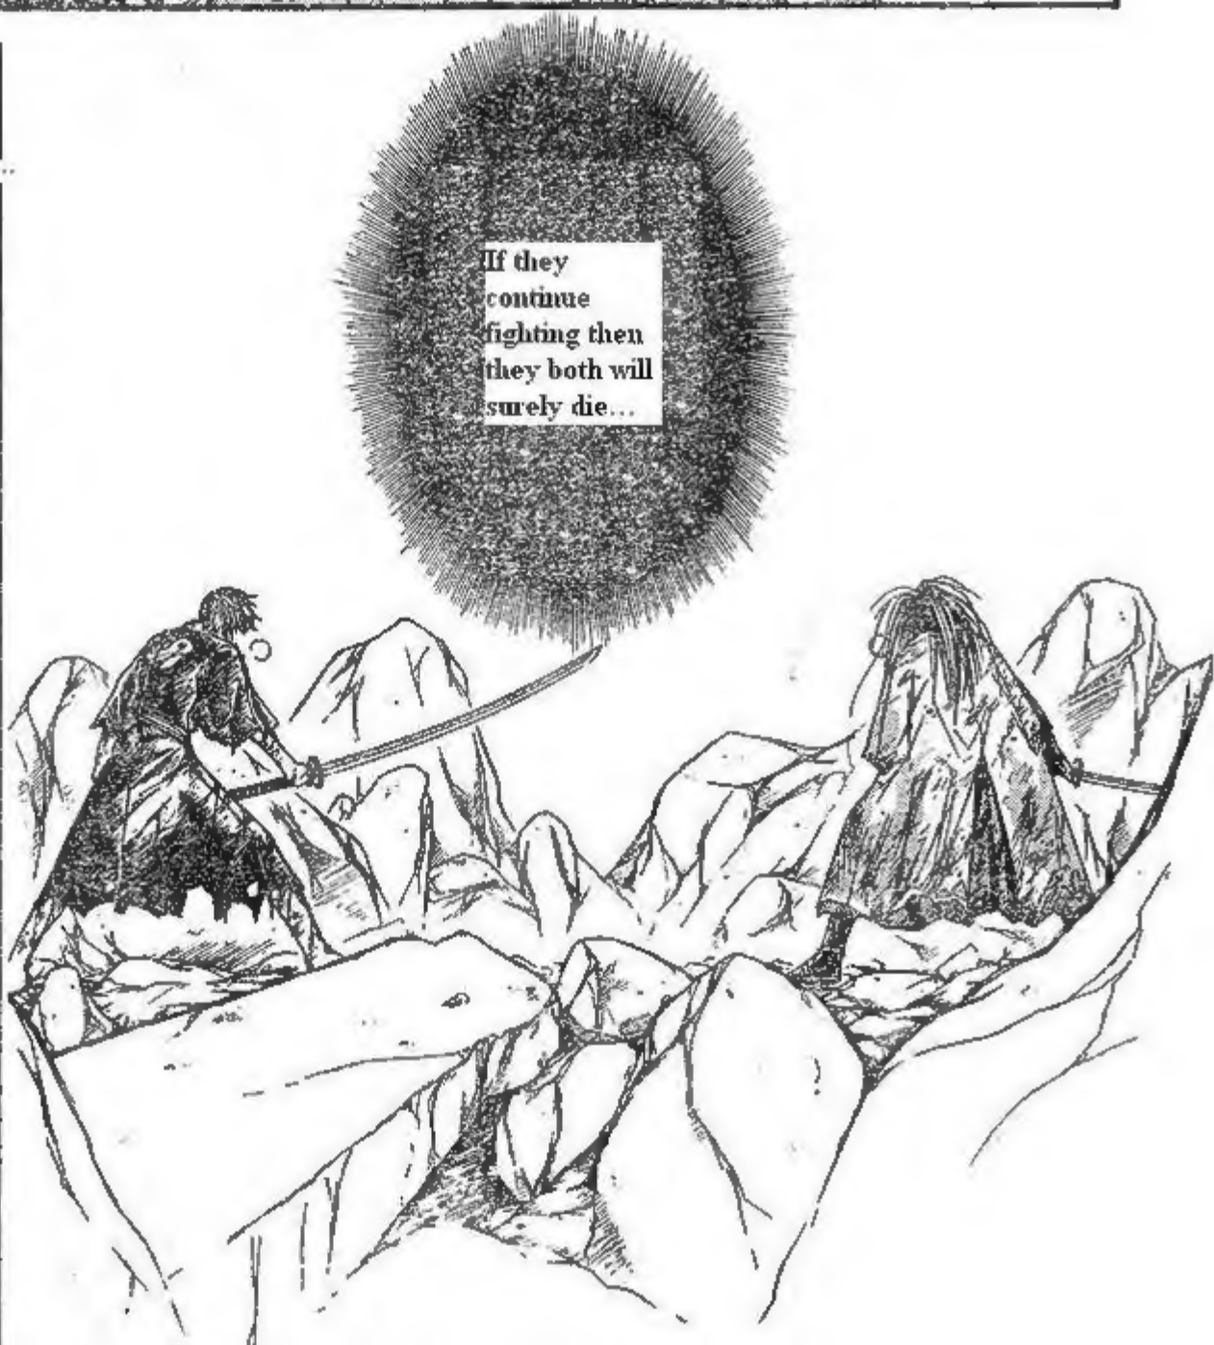
He's regained his senses!
Kyo... Kyo!

I can't use it any more...
Even if it is the power of the Shin Mibu...

Has even Kyoshiro reached his limits?
Kyoshiro?
But Kyo is in the same situation; after using such a powerful technique surely he has already reached his limits?
Even though he was wounded rather grievously, still it's strange that I can't sense even a bit of his former power...



Kyoshiro...



If they continue fighting then they both will surely die...

After all that's why I gave you that perfect body of yours; so either win or die?

I think that you understand that you must win this fight...

The Holy Son who was created to take over the throne that was originally intended to be passed on to the last child of the Shin Mibu, the Son of the Demon...

You are the Holy Son...

What...

Warm, open-hearted and easy going, you, the gentle Holy Son, deserve to ascend to the throne of the Red King...

You are different from the Son of the Demon who twisted his sword and walks on an evil path...

Wait...

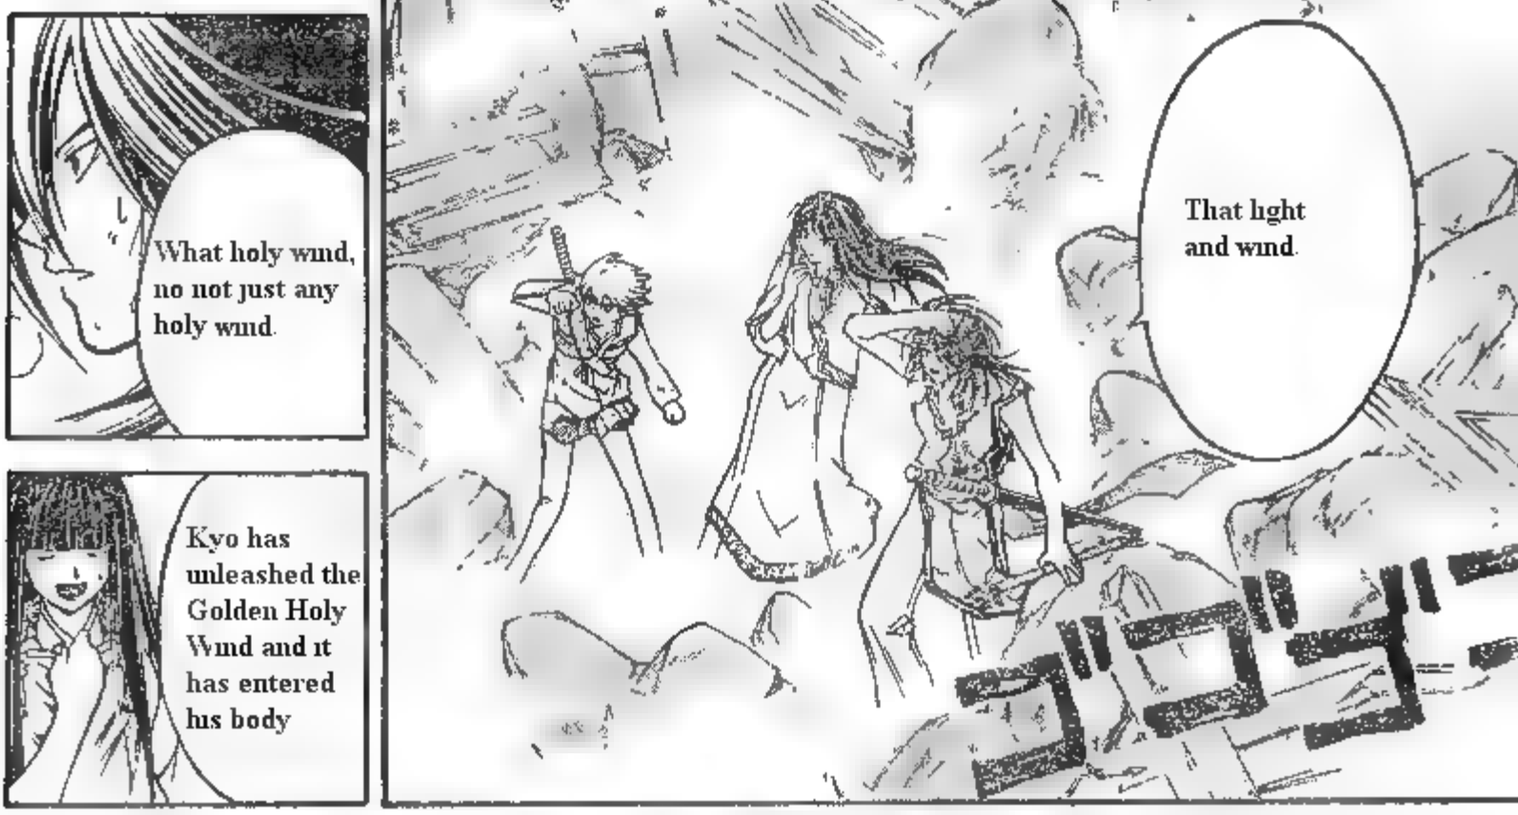
I understand that... but shouldn't it be time for you to return to me?

If you do not kill Kyo and completely take over that body then your life will have meaning... no I should say no value?

Kyoshiro...
Kyoshiro...
Is that true, Kyoshiro? Is it?
Kyoshiro, no!
Let's go and leave the rest to Kyoshiro. Take a good look, my new seer...
To better appreciate the clear night sky I think we should go someplace closer to it...

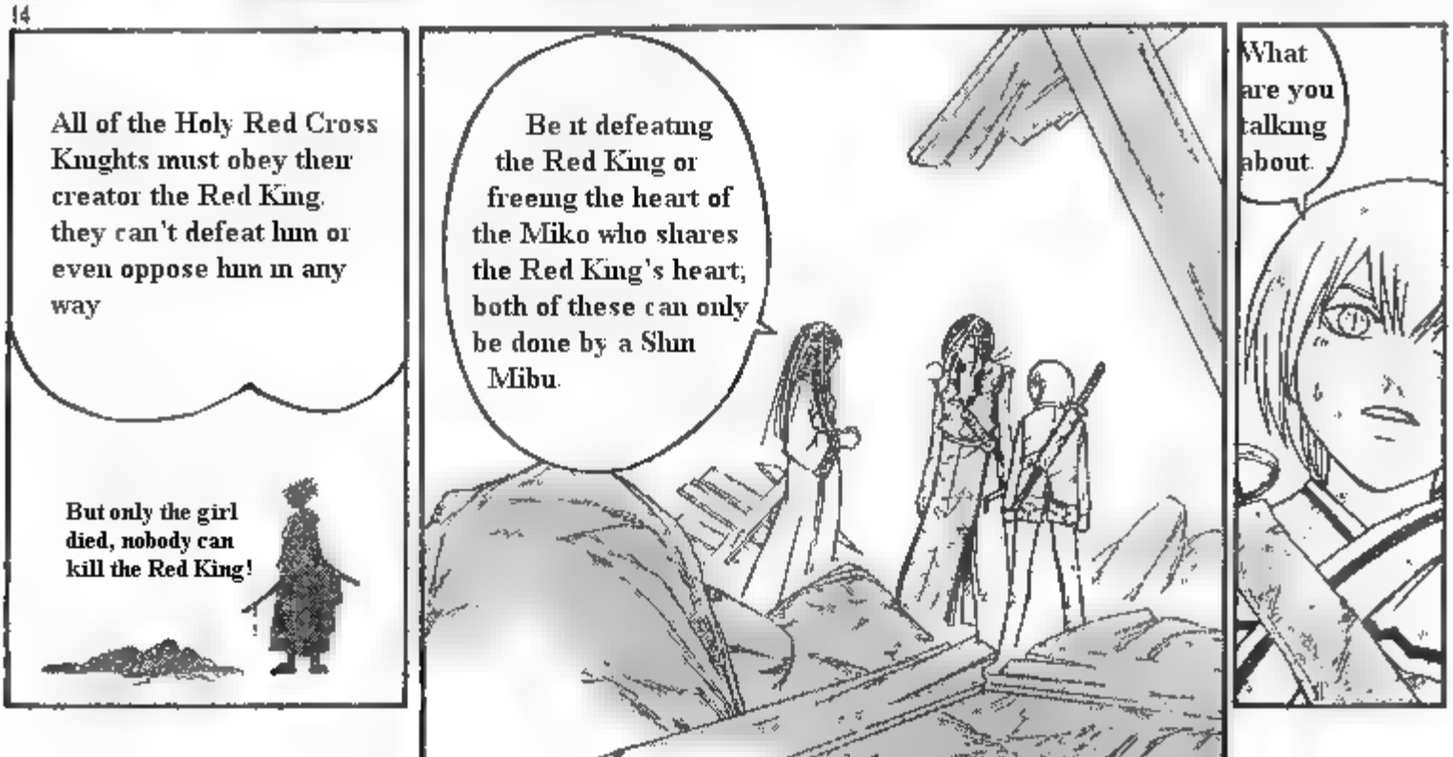
Shihoudou!
Ughh!
No, let go!
Red King, don't...

They both lack body and spirit, I'm the last of the Shin Mibu
Don't worry, Kyoshiro is far too kind to betray me
Although it is a tragedy, one world does not need two kings .
Huh?
Was that the reason you made them fight . .
You... you...
Stop fighting!
Well, time for you to take a good look
Kyoshiro! Kyo!
No!



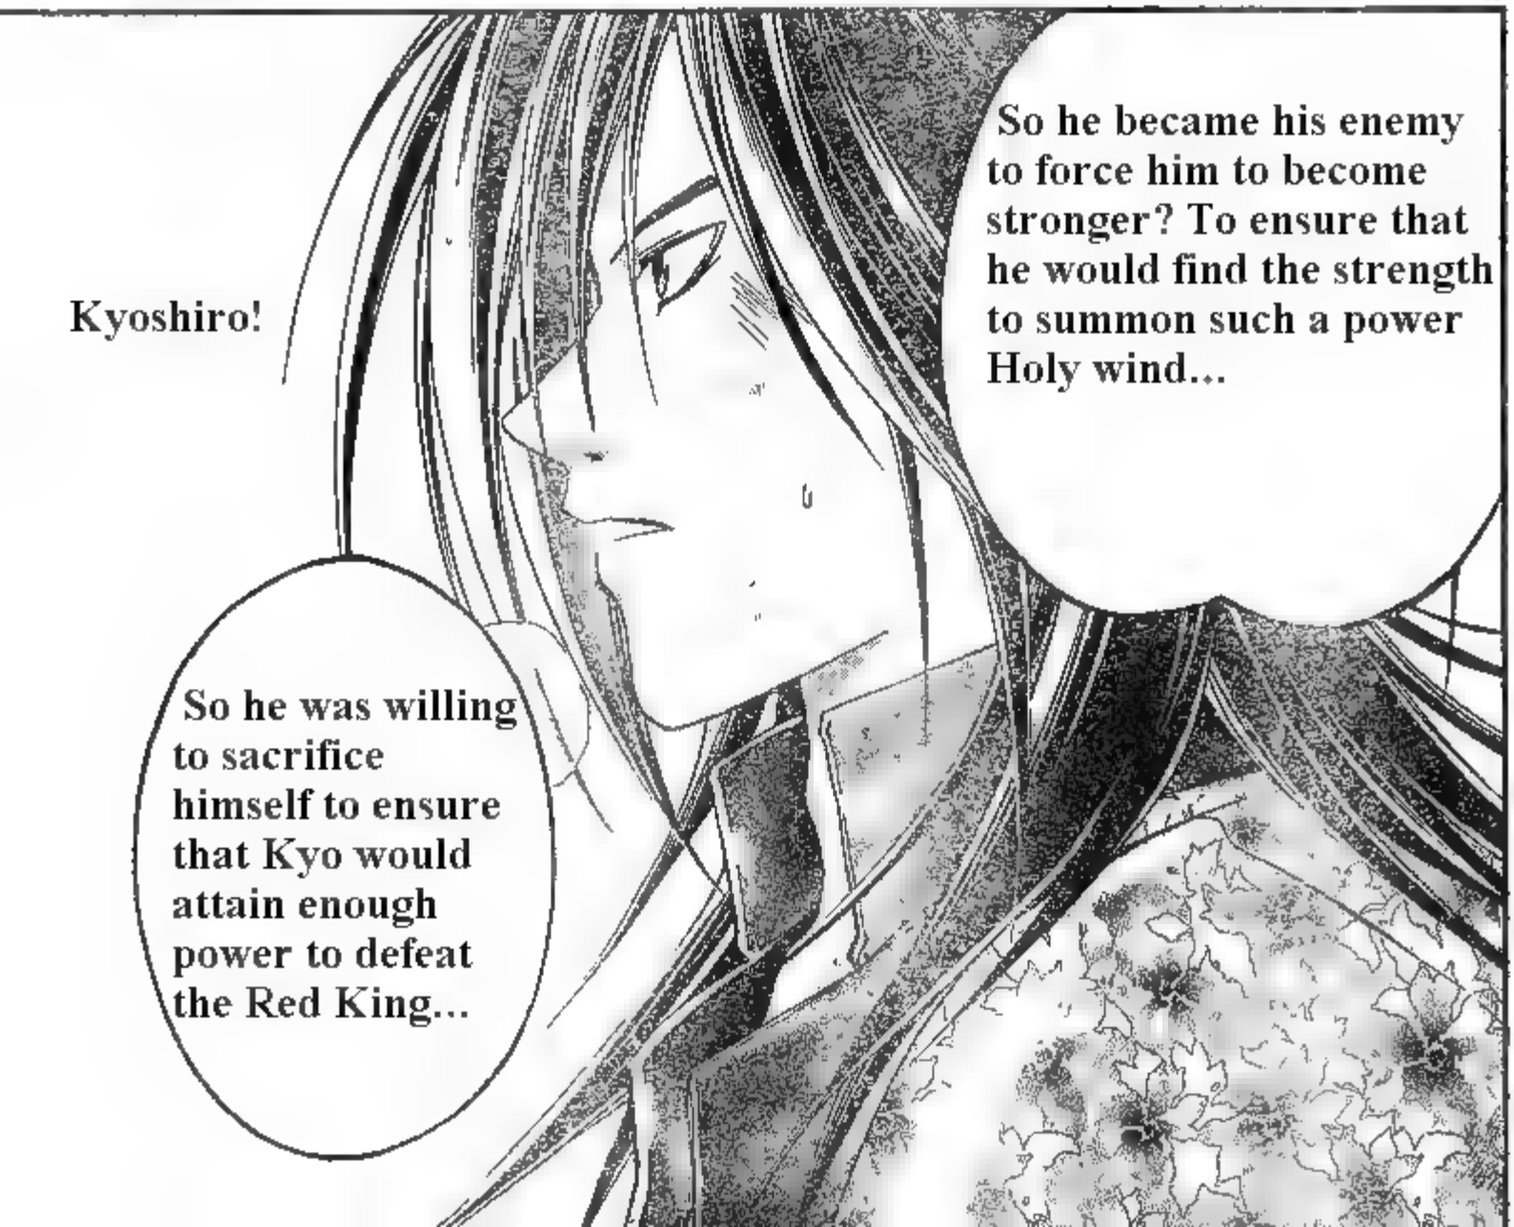
What holy wind, no not just any holy wind.
That light and wind.
Kyo has unleashed the Golden Holy Wind and it has entered his body

If we don't stop them soon...
Is... is Kyoshiro planning to sacrifice himself?



All of the Holy Red Cross Knights must obey their creator the Red King. they can't defeat him or even oppose him in any way
But only the girl died, nobody can kill the Red King!
Be it defeating the Red King or freeing the heart of the Miko who shares the Red King's heart, both of these can only be done by a Shin Mibu.
What are you talking about.

Kyosuke trusted Kyo and hence couldn't forgive his betrayal. but even then he still believed that Kyo would be able to triumph over the Red King.
But then why must Kyoshiro stand on the side of the Red King and fight Kyo?
Onime no Kyo of the Shin Mibu will be able to kill the Red King.
So are you asking Kyo to kill himself then?
Hmm.
This Holy Wind.
What are you saying.

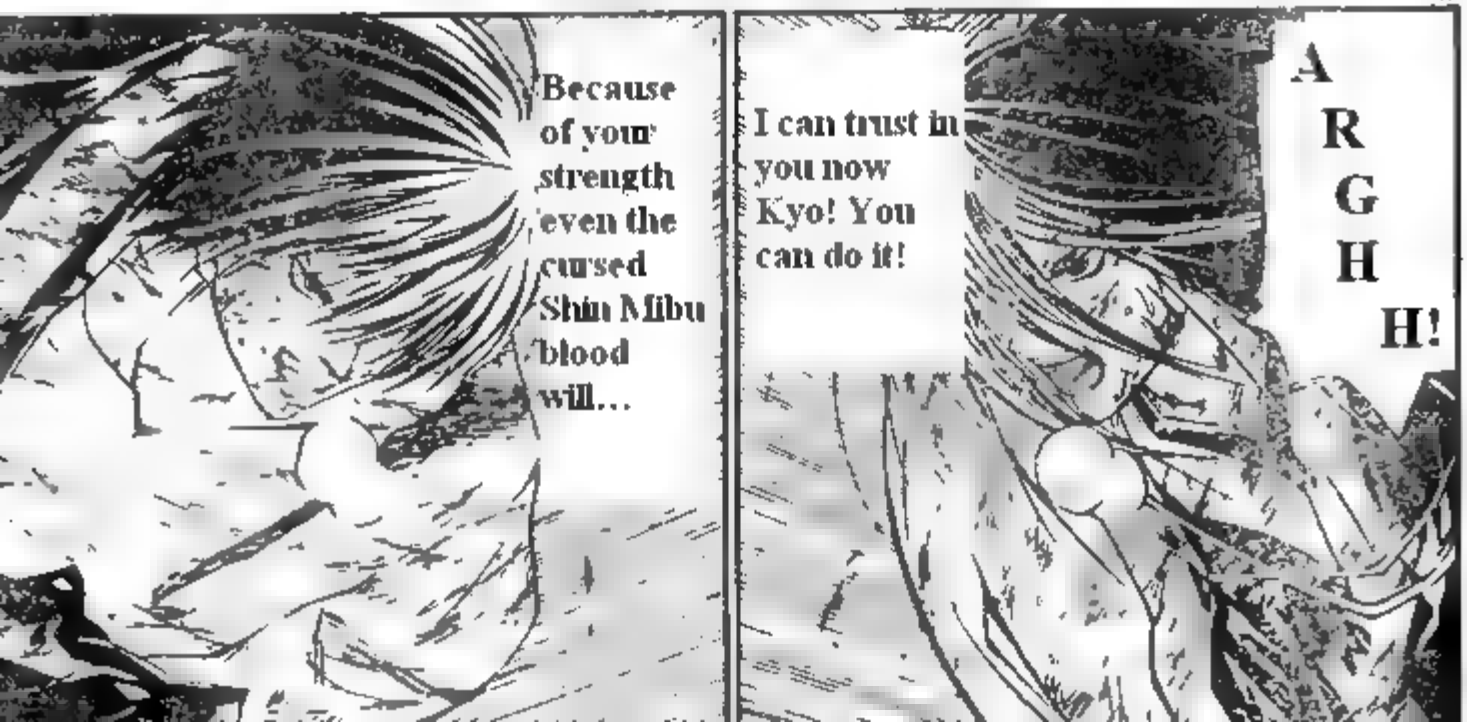


Kyoshiro!
So he became his enemy to force him to become stronger? To ensure that he would find the strength to summon such a power Holy wind...
So he was willing to sacrifice himself to ensure that Kyo would attain enough power to defeat the Red King...

Kyoshiro, stop... both of you stop pushing yourselves!
Stop fighting and let s go traveling together this time all three of us
Kyo Kyoshiro stop fighting
Kyoshiro, Kyo has helped us so much...
I know Yuya
16
In his eyes, his hands and his heart...
Even though Kyo has hidden it deep in his heart...

Help
I hope
Even in his battles I could still feel it
This sound...
Kyo has become stronger for Yuya's sake for everybody's sake
To protect Yuya
That's why I
Kyo, I want to become your strength...

Kyoshiro, stop!



Because of your strength even the cursed Shin Mibu blood will...
I can trust in you now Kyo! You can do it!
ARGH!

So, Kyo...
I leave the rest
up to you...

Onime no Kyo,
Has suddenly returned to his own body!
But what has happened to its original inhabitant Kyoshiro?

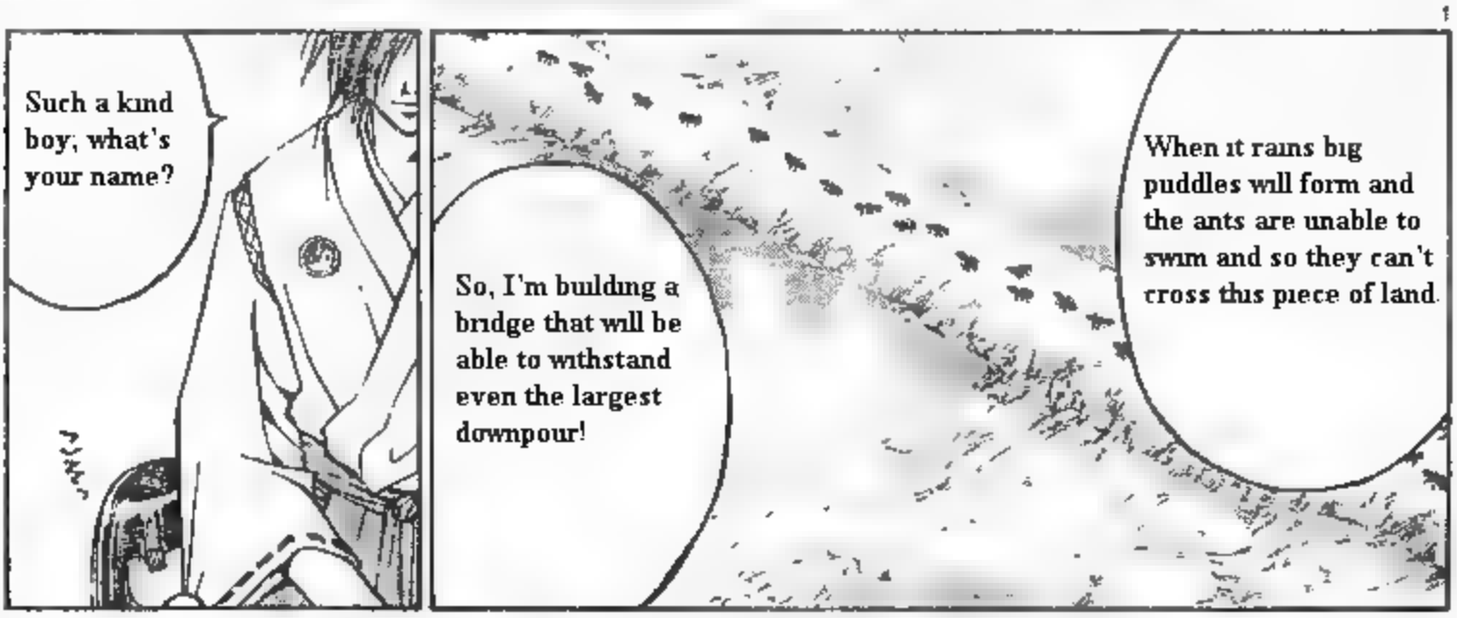
The Storyteller

What are you doing?

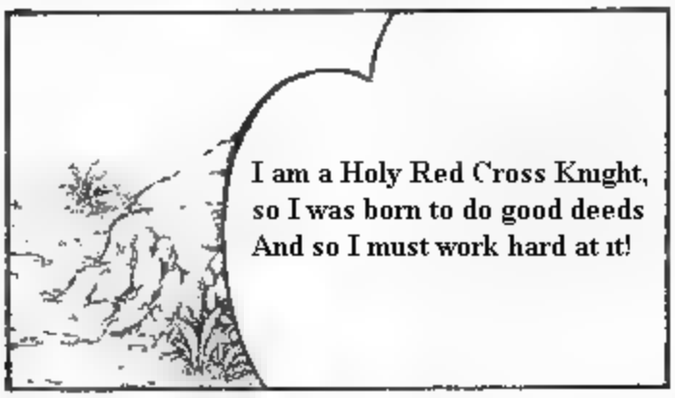
I'm building a bridge for the ants!



Such a kind boy, what's your name?
So, I'm building a bridge that will be able to withstand even the largest downpour!
When it rains big puddles will form and the ants are unable to swim and so they can't cross this piece of land.

Haha.

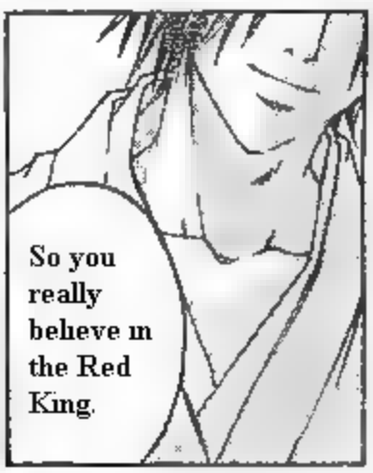
So, you are... Nice to meet you Mister Kyoshuro!



I am a Holy Red Cross Knight, so I was born to do good deeds And so I must work hard at it!

And then I'll be able to do as the Red King says and bring happiness to everybody!

Yes!



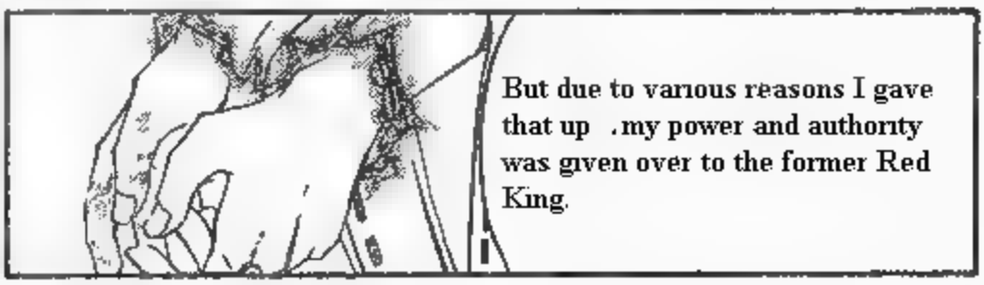
So you really believe in the Red King.

Me? I am.
So who are you uncle?

My name is Mibu Kyoshiro!

If I was still the Red King, then I guess I would be the current reigning Red King.

Do you understand what I said?
?
...

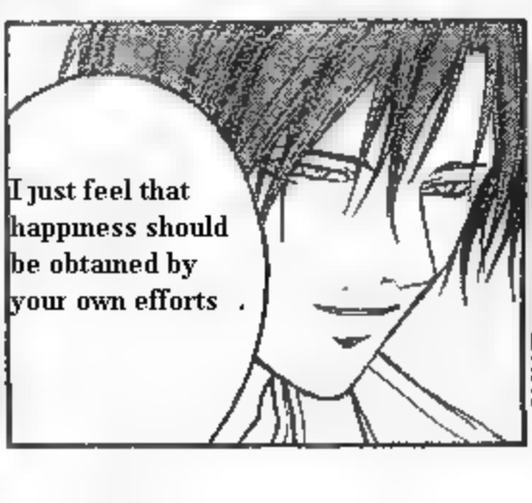


But due to various reasons I gave that up . my power and authority was given over to the former Red King.

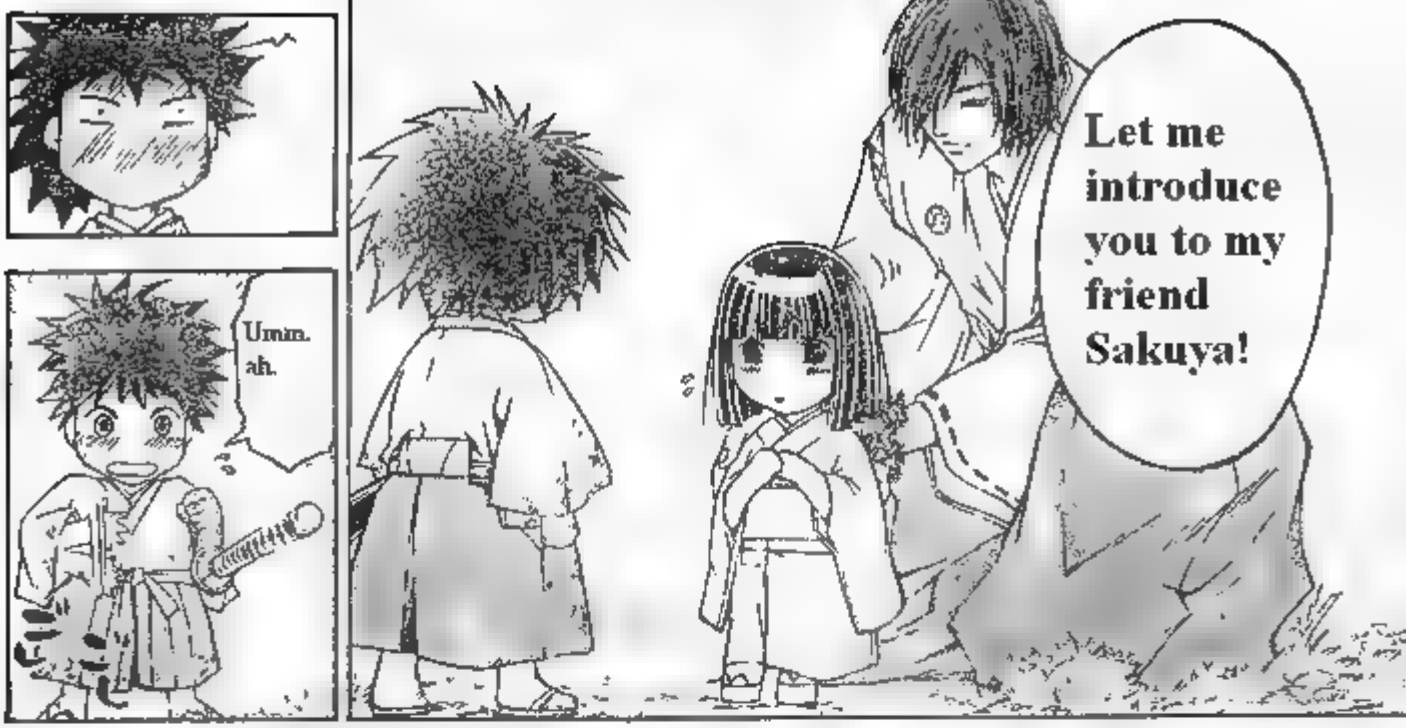
Because he made the only blade which could oppose the Red King he ended up in such a sad state
Huh?

That sword . , the person who made Muramasa forge that sword was the originator of the Hiten Mumyoujiburyuu style

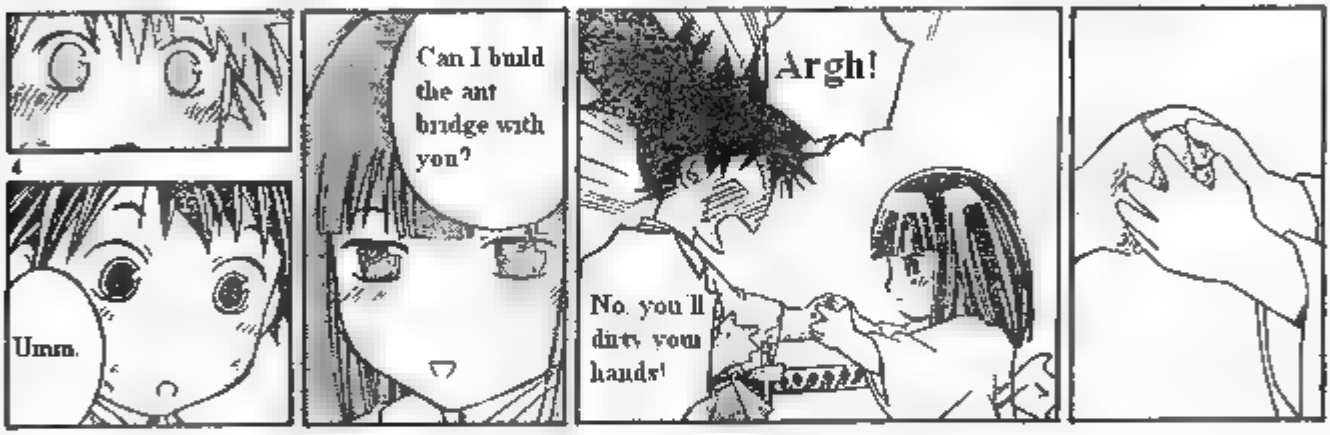
Uncle, do you hate the former Red King?



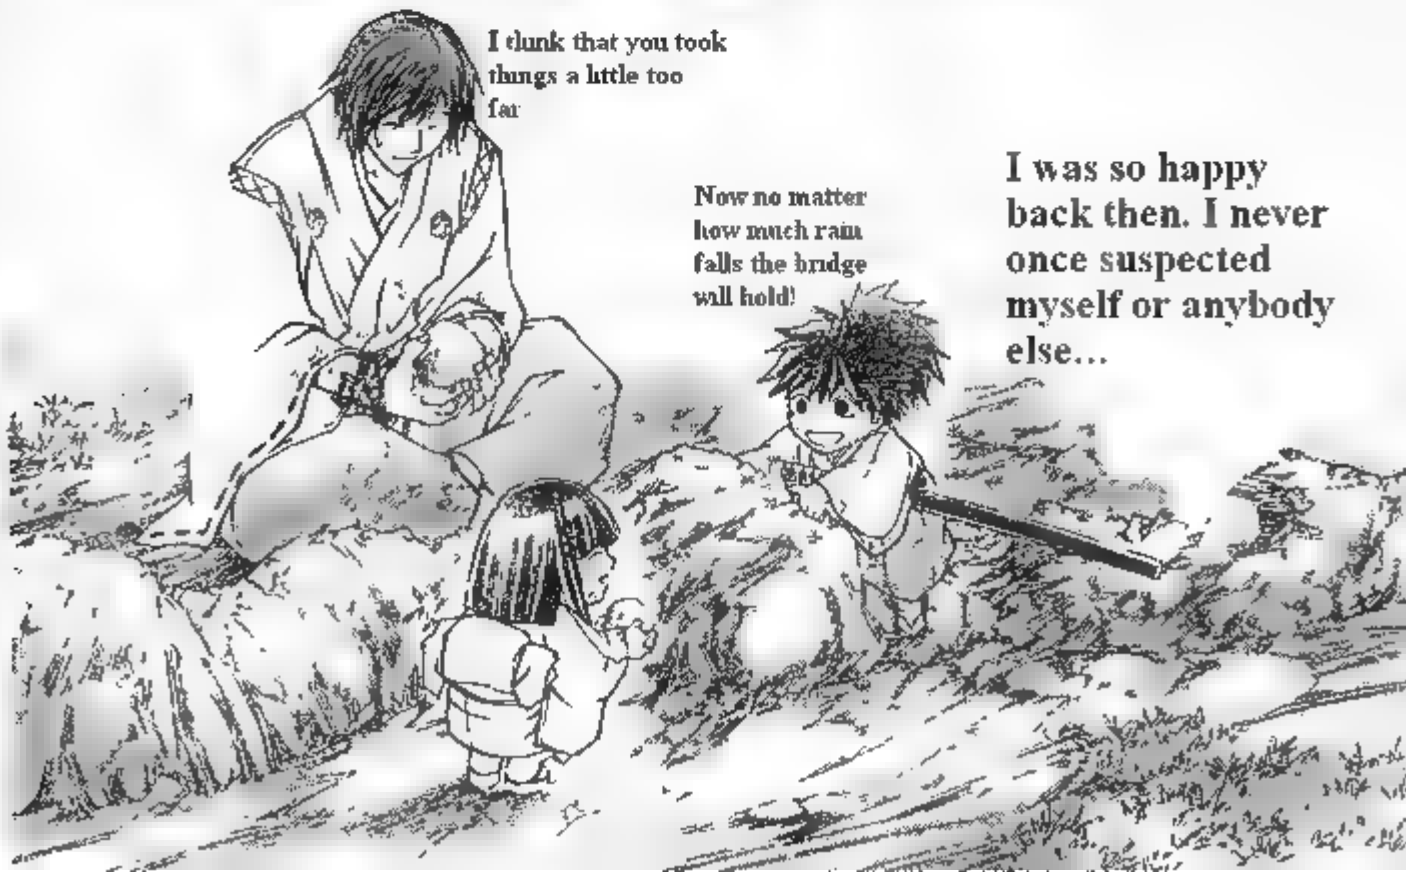
I just feel that happiness should be obtained by your own efforts .



Umm. ah.
Let me introduce you to my friend Sakuya!



Umm.
Can I build the ant bridge with you?
Argh!
No, you'll dirty your hands!



I think that you took things a little too far
Now no matter how much rain falls the bridge will hold!
I was so happy back then. I never once suspected myself or anybody else...

Kyo.
Kyo..
Kyo,
you...

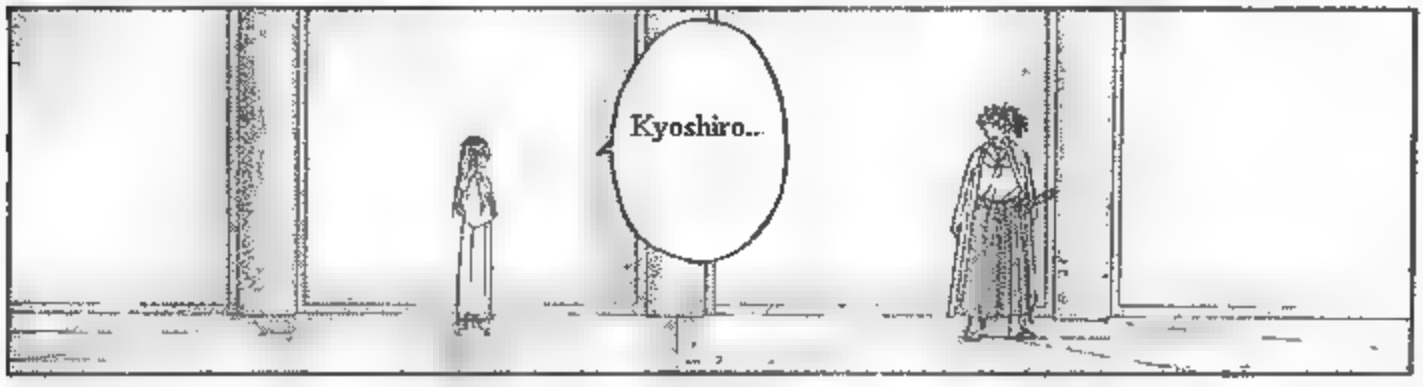
His wish has finally come true!
But the equivalent price that had to be paid was...
Kyo is back in his own body!
KYO
Chapter 202
Remembrances

I will use this body to succeed the Red King
That's why he reluctantly agreed to become the Red King's successor in order to get your body back.
According to Sakuya, Kyoshiro was intending to return your body to you from the start.
What, how could that be
You, Kyoshiro
It was all due
Come to think of it only Kyoshiro could have the determination to see this through.
And in order to endure that you could reach a level of power sufficient to summon the Gaiden Wind, he became your enemy. He did it so that the Demon's blood that you possess was able to gain its power without hesitation.
He believed that Kyo could save Sakuya and defeat the Red King.
It was all due to Kyoshiro
Kyo, I will be your strength.

Kyo?
Stop joking!
Just because of that you want to let me win! Get up!
Stop playing dead! Hey!
10
!?
Kyo, wait.
The sword.
What's happening?

The sword wants to show us something
There are 4 vestiges + damaged dungeons that were hidden in the sword

All in your name, Red King.

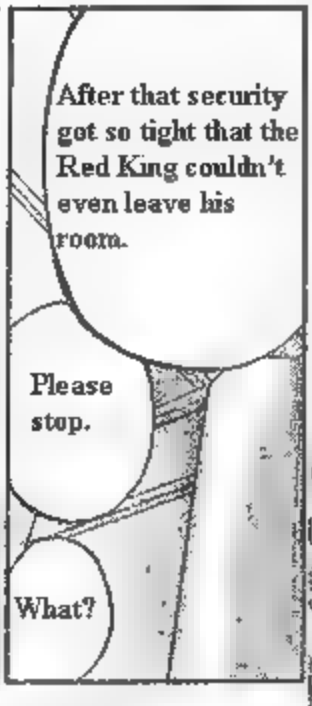


Kyoshiro...

Still remember me after so many years?
I'm Sakuya.

You are?

That was a shameful act that I wish to forget.

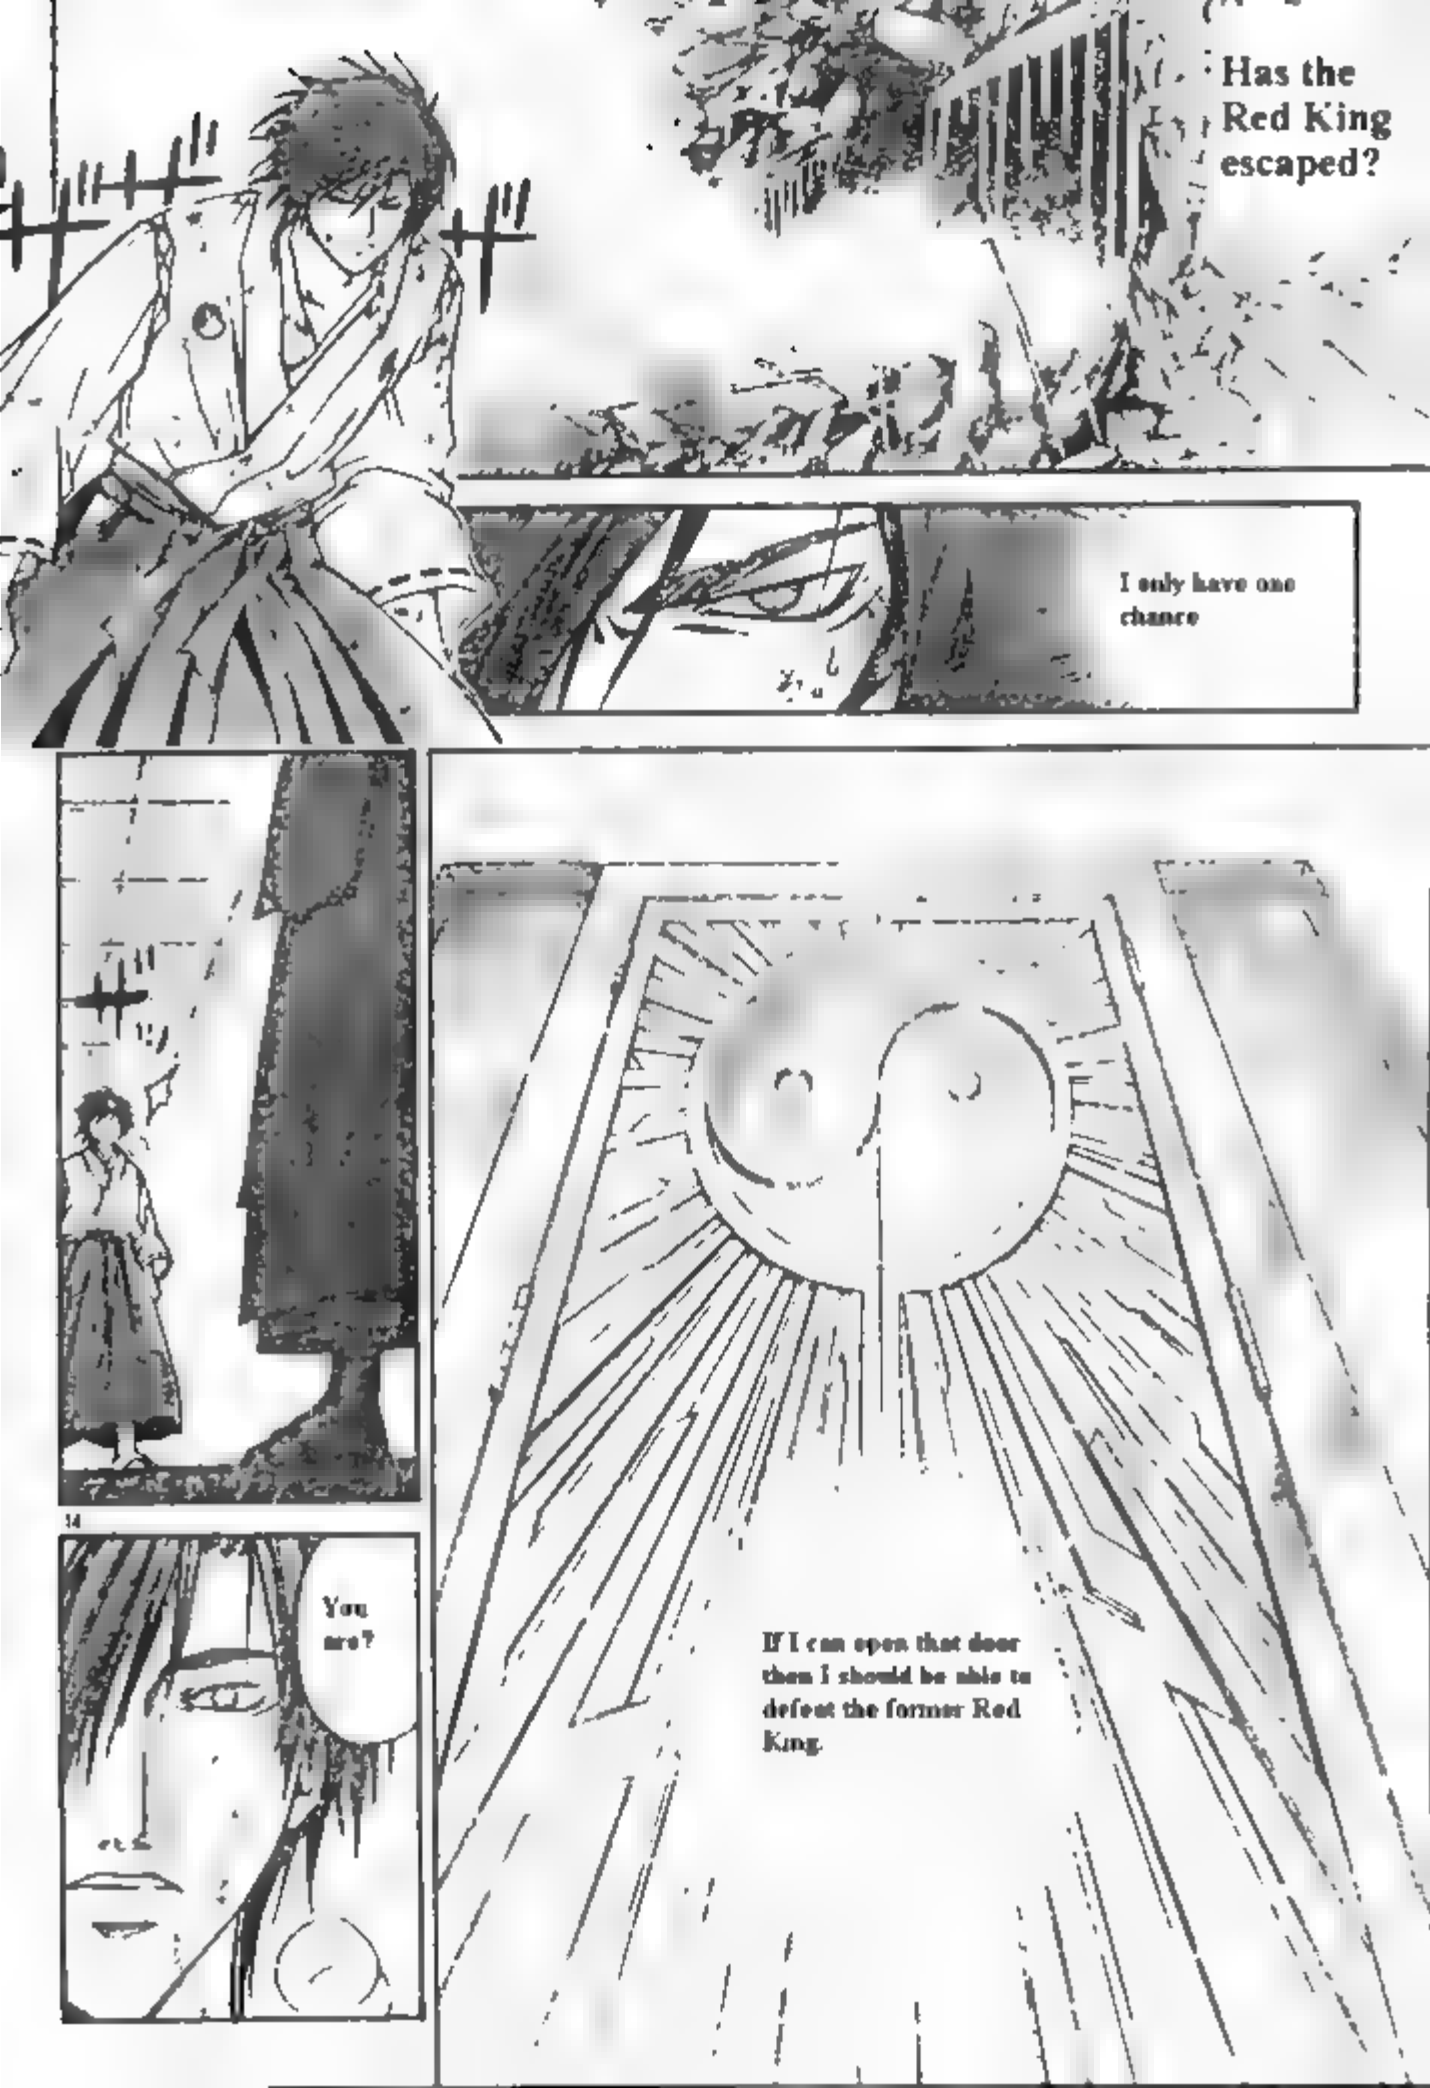


After that security got so tight that the Red King couldn't even leave his room.
Please stop.
What?

We used to play in the mud with the Red King when we were young. We got so dirty in fact that we were all scolded.

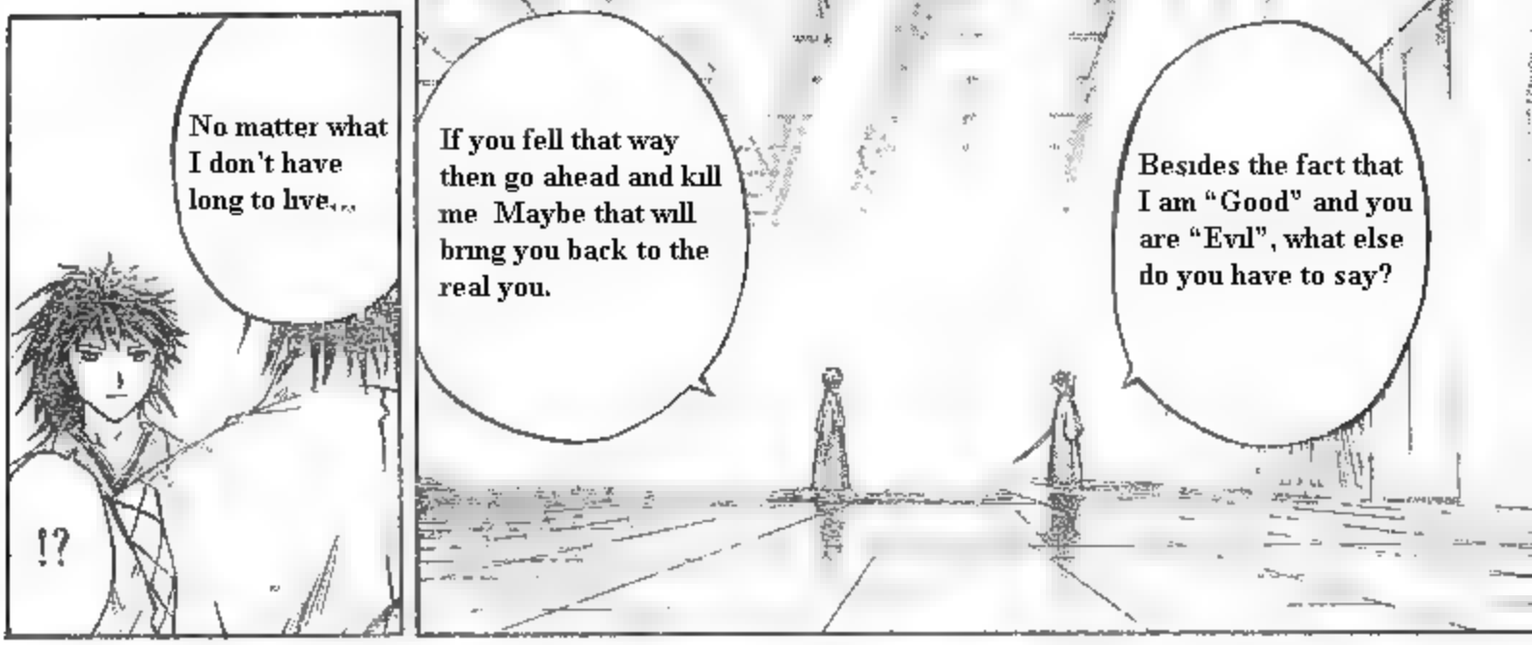
What?

The time I spent with that traitorous man.. that is something I wish to forget.
The Red King is a man with dangerous ideas. All I want is to live peacefully under the rule of the former Red King.
What...
You...
You're so pitiful.
You used to have such warm hands and now they've turned cold, and filled with the scent of blood.
!?
Such cold hands...
What?
!?
Don't tell me...



Has the Red King escaped?
I only have one chance
If I can open that door then I should be able to defeat the former Red King
You are?

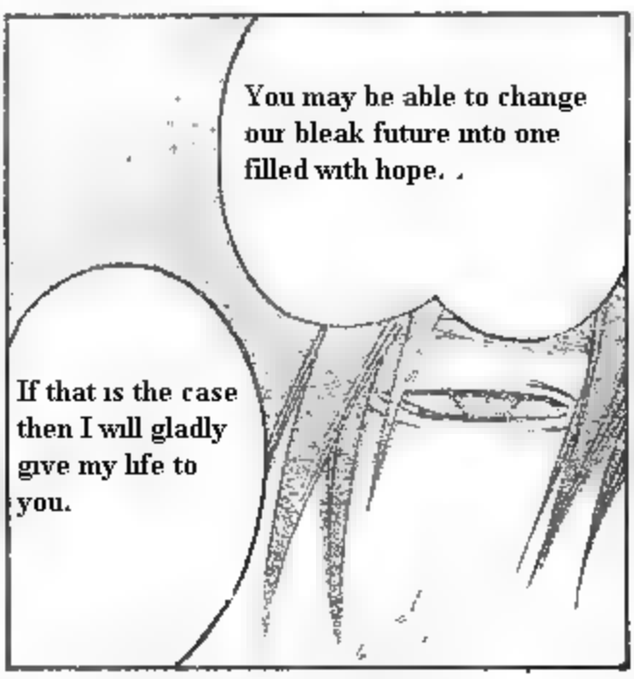
Please go back or I'll kill you Red King.
So you're here. I will neither back down nor fight you.
It's like this.
What are you talking about?
To me you're still that kind little boy who built bridges for ants to cross.
What?
Your heart has hardened. You have experienced many trials and setbacks.
But...
You're still a kind hearted kid; you're still my brother.



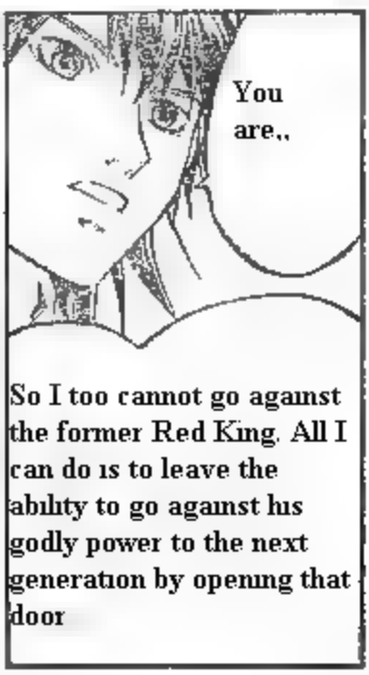
No matter what I don't have long to live...
!?
If you fell that way then go ahead and kill me Maybe that will bring you back to the real you.
Besides the fact that I am "Good" and you are "Evil", what else do you have to say?

It's the Death Disease...
Like you I am a third generation Holy Red Cross Knight...

What rubbish...



You may be able to change our bleak future into one filled with hope...
If that is the case then I will gladly give my life to you.

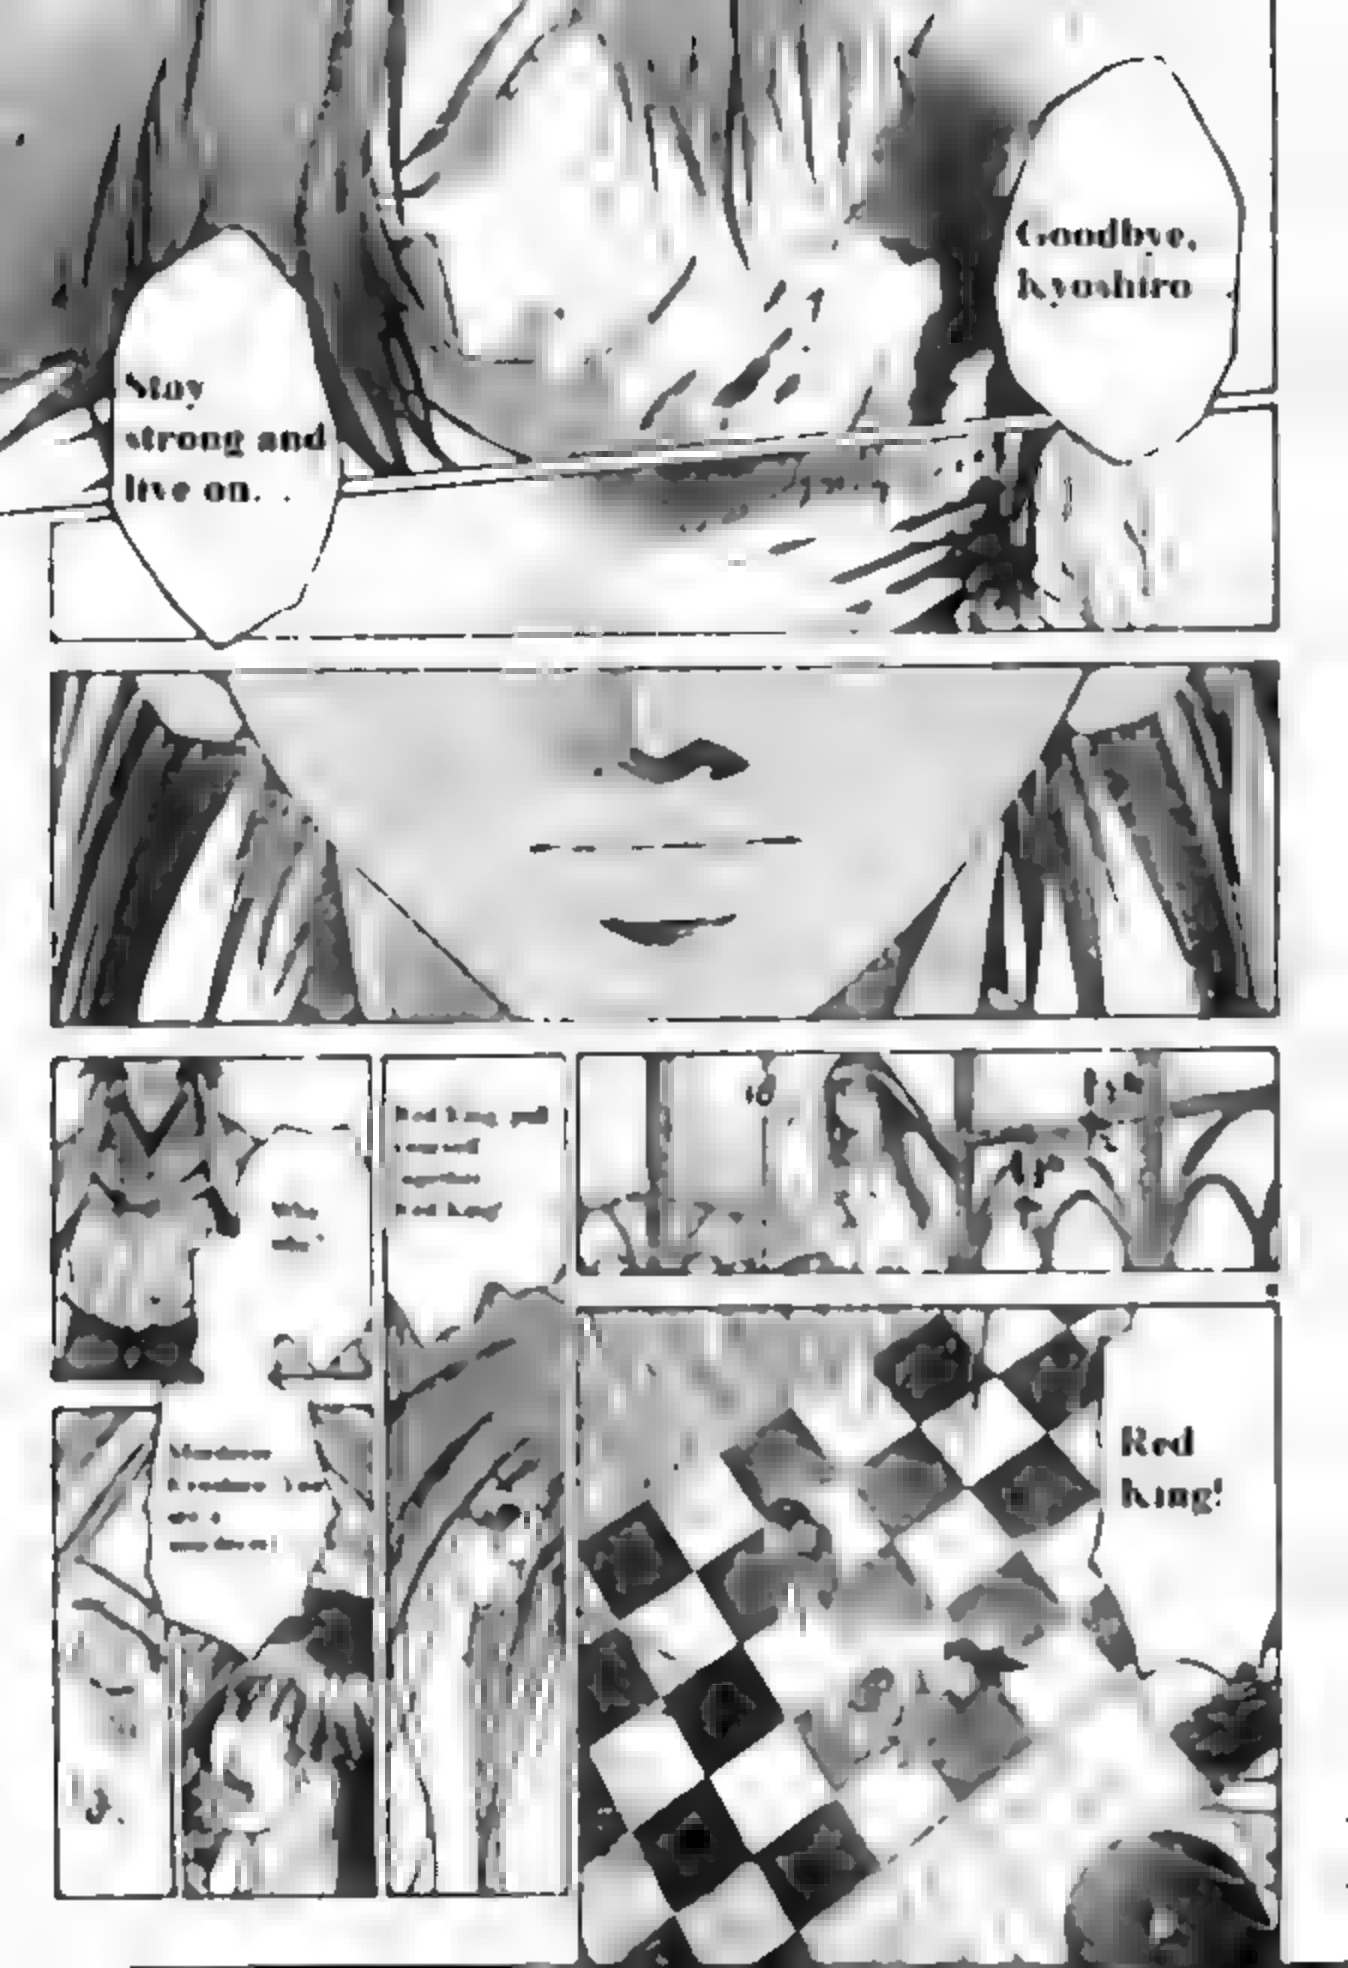


You are..
So I too cannot go against the former Red King. All I can do is to leave the ability to go against his godly power to the next generation by opening that door

.....

I believe
in you.
17
Such a kind
boy...
I just feel that happiness
should be obtained by
your own efforts...
I believe in
you...
Such cold
hands

All who oppose
the Red King
must die. .



Goodbye, Kyoshiro
Stay strong and live on. .
Red King!

Who do you think she's wanted to be with all along...!?

For someone as awkward with words as Kyo . to say that.

They've always been like that ?

Really ?

What !?

I'm glad

17

Maybe Kyo also feels that way about a woman?

But I'm surprised too

They're back to the way they used to be.

A sense of belonging .

We're always looking for. .

[Soft words, but violent ... He bares his true fangs!!]
